

Patient Communication & Financial Policies for Cosmetic Patients

The following are internal policies set in place by the administration of Forefront Dermatology, S.C., ("Forefront") d/b/a Excelin Medical Spa. Signature is required before services can be provided.

Patient Communications: Confidential messages may be left on your voicemail or answering machine at the preferred number(s) you have provided to Forefront or with a friend or family member who answers the telephone at one of the preferred numbers or at your residence and who can verify your address and date of birth. Such message may include, without limitation, reminders of upcoming scheduled appointments information regarding your pathology or laboratory tests, billing information, or answers to medical questions you may have inquired about to our staff. Forefront may also communicate with you via e-mail, text message, or post card to your home address provided such method complies with applicable HIPAA communication standards. You understand that you are not required to agree to this provision in order to receive treatment.

Research: I authorize Forefront to contact me regarding any research study in which I may be eligible to participate relating to my care.

Non-sufficient Funds: A \$35.00 charge will be added for any non-sufficient funds notice from the bank. If your account is sent to collections and we have to litigate in court, your visit/s with our office may become a matter of public record.

Cosmetic Procedures: Payment for a cosmetic procedure is due in full prior to treatment. There are no returns on cosmetic products sold unless such products are defective or, in the opinion of your provider, caused an adverse reaction.
